

**Risk Warning Under Section 5M of the Civil Liability Act 2002 issued on behalf of MLC School and AHIGS:**

***Non-Sporting Activities***

MLC School organises many activities such as debating, mock trial, orchestra, choir, during the course of a year. Students participating in these activities take part in practice and in competitions.

The Association of Heads of Independent Girls' Schools NSW (AHIGS) administers and convenes inter - school activities (such as Archdale Debating and Festival of Speech) in which many students, including students of this school, participate.

While MLC School and AHIGS take measures to make the activities as safe as possible for participants, there is a risk that students can be injured and suffer loss (including financial loss) and damage as a result of their participation in these activities, whether at practice or in actual events.

Injury can occur while the student is engaging in or watching an activity, or travelling to and from the event. The injury may result from a student's actions, the actions of others or equipment failure.

In very rare cases the injury can be life threatening or result in permanent disability.

Students could also suffer loss as a result of their personal property being lost, stolen, damaged or destroyed.
