Conveniently run on school grounds, your children have the opportunity to extend their friendships and their learning in a fun and familiar environment.

We care about nurturing each child's unique personality, interests and abilities.

We share experiences to build social skills, thinking skills, and resilience.

We dare to be curious and creative, trying out new things and learning about ourselves along the way.

We prepare exciting activity programs in consultation with the children, so they're guaranteed to enjoy our games, arts and crafts, sports and excursions.
