

Dance Uniform Requirements

Pre-K Dance

No uniform required. Students should wear their Pre-K school uniform to class.

Kindy to Year 2 Co-curricular Dance

Please take with you the below list of items to your nearest [Bloch store](#), where staff will assist in sizing and gathering the correct items for your daughter's registered lessons. Our MLC School Dance uniform is currently registered to Miranda, York Street, Rouse Hill, and Chatswood stores. Alternatively, items can be purchased [online](#) using the item codes below.

MLC School is a member of the Bloch Privilege loyalty program. Discuss this with a member of the Bloch staff to receive a discount on full price items.

As uniforms are in high demand at the beginning of the new year, please order early. If items are delayed, students should wear their sports uniform until they receive the dance uniform. Full uniform is required by Week 5 of Term 1.

Please ensure that all your daughter's school and dance uniform pieces are clearly labelled with her name and year. Changing times are quick and identical items can easily be misplaced amongst students. As we move into the winter school uniform, please be sure to label belts, ties and long sleeve button ups.
