

Dance Uniform Requirements

Year 3 to Year 6 Co-curricular Dance

Please take with you the below list of items to your nearest [Bloch store](#), where staff will assist in sizing and gathering the correct items for your daughter's registered lessons. Items can also be purchased [online](#) using the item codes below.

MLC School is a member of the Bloch Privilege loyalty program. Discuss this with a member of the Bloch staff to receive a discount on full price items.

Please note that dance uniform items are in their highest demand at the start of each year with the return to dance of many studios. We understand that due to unforeseen shipping delays, some items may require additional time and suggest that you order uniforms at your earliest convenience. If items are delayed, students should wear their sports uniform for their initial lessons, please email us if you are waiting on items.
